# Phone Use on Site

- Phones are not allowed to be used in active work areas unless there is an emergency.
- If phones need to be used, the person needs to get to a non-active work area to use their phone.
- Phones cannot be used while operating, driving, working, or while walking.
- Phone use includes: phone calls, texting, checking emails, scrolling through social media, looking at photos, etc.
- Please make sure we are all setting a good example for phone use on site.
- Phone use in an active area can make us unaware of hazards that we may be exposed to.
